MARKET REPORT

90 CONSIGNERS

The Roping Cattle Special Sales are finished up for the year and we are looking forward to 2026! The top end of this sale remained strong while plainer cattle and high-risk ropers/potentials found a softer market. We will come out with our entire 2026 calendar for Special Sales soon, but plan on our next Roping Cattle Sale being February 7th. As always this is a consignment only sale so call in your consignments before the books are closed!
